

**TAKE ADVANTAGE OF THE PROVANTAGE™ SYSTEM FOR ATVS AND SIDE X SIDES**

**PROVANTAGE PLOW SYSTEM**

This premier plow system offers some of the highest performance on the market today. Turn your ATV or Side x Side into a versatile, durable plowing machine. Simple front mount connection make for fast install and removal. A growing line of accessories from Power-Pivot to Bucket to Limit Control, create limitless uses. From spring to winter, hauling dirt to spreading gravel to clearing snow, ProVantage is the right tool. (Blade size from 50" to 72".)

**ProVantage Bucket**

Transforms your ProVantage plow blade into a bucket loader with an easy-to install conversion kit. Move up to five cubic feet or 200 lbs. of material. Features a 60° dump angle, convenient dump release, and hands free reset to help you get the job done faster.

- PN 84133 (50" bucket conversion)
- PN 83133 (54" bucket conversion)
- PN 85133 (60" bucket conversion)

**ProVantage Plow Lift**

Effortlessly lifts your plow without the aid of a winch. Screw-drive system is compact, easy to install, and efficient.

PN 84600

**WARN DRESSES OUT THE BRP COMMANDER**

Take command of your BRP Commander's look and feel with WARN products and accessories. From front winch bumpers to belly-saving body armor, Warn Industries has the Commander covered. Our full line even includes the new WXT-HID Headlight Replacement Kit offering a 42% current reduction over stock lights.

**INCREASE THE DURABILITY AND PERFORMANCE OF YOUR PROVANTAGE SYSTEM**

**Plow HD Wear Bar**

As rugged as they come, wear-form steel construction makes this upgrade last up to 30% longer than standard wear bars.

- PN 84050 (50")
- PN 84054 (54")
- PN 84060 (60")
- PN 85287 (72")

**Plow HD Skids**

Crafted from wear-form steel, these durable plow skids outlast standard skids by up to 30%.

PN 85368

**Plow HD Mounting**

These upgrade mounting points crafted from the same wear-form steel as our skids, increase the durability of your mounting points and offer extended life under the harshest conditions.

- PN 85243 ATV (Standard Mount)
- PN 85244 ATV (Offset Mount)

**Plow Pulley**

Here's a way to extend the life of your plow system and winch rope by eliminating winch overrun when lowering the plow (also corrects cable tangles). Both limit and slack controls let you confidently operate the system without worrying about vehicle or plow system damage.

PN 84526 ATV (Plow Only)

**Plow Limit Control**

Get the most out of your ProVantage Plow with a limit control that extends plow system life, protects your vehicle from impact and stops "over raised" conditions. An easy retrofit, allows you to fine tune plow system for a variety of stop positions.

PN 85950  
ATV (Bucket or Plow) and UTV (Plow)

**Plow Slack Control**

Here's a way to extend the life of your plow system and winch rope by eliminating winch overrun when lowering the plow (also corrects cable tangles). Both limit and slack controls let you confidently operate the system without worrying about vehicle or plow system damage.

PN 85742 ATV (Plow Only)  
PN 85888 ATV (Bucket Only)  
PN 88950 Combo Limit-Slack Control (Plow Only)

**BRP COMMANDER**

- ① Rugged WARN Front Winch Bumper **PN 85623**
- ② WARN Body Armor — full coverage (Chassis, Side, Front And Rear A-Arm) **PN 85635, PN 85640, PN 85645 and PN 85650**

# NEW PORTABLE LINE OF WARN WINCHES GO WITH YOU ANYWHERE

## GO LIGHT AND GO OFTEN

Your attitude is go anywhere, do anything with your favorite toys, from Adventure bikes to ATVs to snow sleds. Whatever your passion, Warn Industries backs you up with a line of portable, lightweight, and dependable winch products. From the ultra-light, eight-pound XT17 to the handheld PullzAll lifting/pulling tool. Go Further and Do More with WARN Portable.

### PORTABLE WINCH CARRY PLATE

Works with RT15 and XT17 Portable Winch  
\*Note: designed to stow the winch, not rated for full load

**PN 86595** Portable Winch Carrying Plate  
**PN 86600** (Designed for BMW F800GS)

### RT15 PORTABLE WINCH

Everything you need to get out of any trouble you might wander into, right here in a portable, self-recovery winch. Pulling capacity of 1,500 pounds. Comes with 25 feet of durable steel cable. Integrated controls on the winch make it easy to transfer between vehicles. Talk about versatile; this winch is a no-brainer for any off-road trip.

**PN 86380** (Controls on winch)

*Includes hand-held corded remote with rigging straps and wiring for PN 86380 and PN 85700.*

### XT17 PORTABLE WINCH

It's light. It's powerful. And it shares your sense of adventure. The XT17 winch can resist in up to 1,700 pounds of pulling capacity. And talk about easy to carry—aluminum construction, 40 feet of synthetic rope, and a new 8.5lb design will have you taking this bad boy everywhere.

**PN 85700** (Controls on winch)  
**PN 85900** (Controls on vehicle)

*Includes handlebar mounted winch control with rigging straps and wiring for PN 85900.*

### SNOWINCH™

The word snow is in its name, but SnoWinch rescues your vehicle in snow, sleet, rain or mud. Features 1,500 pound pulling capacity. Comes with 40 feet of light, strong synthetic rope, recovery straps and a hand-held remote control and carrying case.

**PN 70170**

*Included with the Snowinch are rigging straps, cables, hand-held remote control and a carrying case.*

### PULLZALL™

Is it a winch? Is it a lifting tool? Actually, it's whatever you need it to be. And it's darned handy on the trail or in your garage. Lifts or pulls 1,000 pounds. Forward/reverse switch. Easy operation. For whatever you do, from moving a log off the trail to lifting the engine out of your ATV.

**PN 885005** (Cordless)

*Accessories available at [www.warn.com](http://www.warn.com)*

## WARN XT EXTREME TERRAIN LIGHTS — ULTIMATE PERFORMANCE FOR WHERE YOU RIDE

**WXT400-HID Driving Lights**

**WXT200-HID Spot Beams**

The WARN XT HID lights are built to stand up to extreme conditions. They'll take your most grueling rides and keep performing. A bright, white color produces up to three times the light of Halogens. Durability comes from stainless steel hardware, forged housings, impact resistant glass, and silicone seals. These compact, versatile lights cut through the night whether you choose driving or spot beams.

**PN 83555** (4" Driving Lights)

**PN 83552** (2" Spot Beams)

**WXT200-S Spot Beams**  
**WXT200-F Flood Lights**

Halogen lights with an attitude, WARN XT Halogen spot and flood lights give you amazing visibility, whether you're riling the twisties or blazing a lightless single-track. Under six amps of current draw will go easy on your electrical system. The same durable, lightweight construction as our HID's ensure years of reliable performance.

**PN 83553** (2" Spot Beams)

**PN 83554** (2" Flood Lights)

## VERSATILE MOUNTING SOLUTIONS FOR YOUR LIGHTING NEEDS

### Universal Light Bars

A three-piece modular design offers multiple configurations to fit your vehicle look and style. Lightweight aluminum clamps securely attach to bar sizes between 1.5 - 2". Easy access wire tray makes for quick connection. Durable wrinkle powdercoat holds up to the elements.

**PN 83970** (High Profile for WARN XT 4" Lighting, up to four lights)

**PN 84360** (Low Profile for WARN XT 2" Lighting, up to six lights)

### Universal Light Mounts (Tube)

Incredibly versatile, these lightweight aluminum mounts really give you flexibility. Anywhere you need lights, on any vehicle bar or tube. Stainless hardware and powdercoat finish resist elements. For most any post mount light up to 1/2" diameter.

**PN 85300** (Fixed, 1.5 - 2")

**PN 85338** (Swivel, 1.5 - 2")

**PN 85340** (Swivel, .875 - 1.125")

### Universal Light Mount (ATV Handlebar Mount)

An easy way to put your lights right on the handlebar. Excellent location for maximizing visibility and minimizing impact damage. Plated fasteners, strong steel construction and powder coat all contribute to long life. Easy multi angle adjustment to fit your need.

**PN 83972** (Universal — most makes except BRP and Kawasaki)

### Motorcycle Light Mounts

Strong steel construction and durable powdercoat finish, these simple easy to install mounts will accommodate up to 1/2" diameter post mount lights. Solution will vary by model.

**PN 85608** BMW F800GS (All)

**PN 85609** BMW R1200GS (2008 - Current)
